There might be changes in the programme in the coming weeks. Lectures are held in English or Norwegian, with something for everyone. Detailed programme with an overview of lecturers and languages will come.

Participation includes a two-day program of lectures, coffee breaks and lunch, access to exhibition as well as a banquet dinner on the afternoon/eve of the 22nd of October.

The Finnish embassy in Norway also invites you to a mingle on the evening of the 21st of October. Registration will be possible via the R3 homepage.

We'll see you at [Lily Country Club Hotel](#) in October for some professional replenishment and a nice industry meeting.

Welcome!
Kindest regards R3 Nordic
